Adhesion Force to Kraft Testing

Are You Seeing A Rise In Tape Failures?

A specifically formulated, superior carton closure solution for corrugated boxes: The ET Xtreme™ Tape Head and IPG pressure-sensitive tapes.

■ AF2K testing brings our packaging lab to you

- In-line testing with no interruption to your operation
- Measures adhesion strength to your corrugated boxes, which could predict potential tape failures

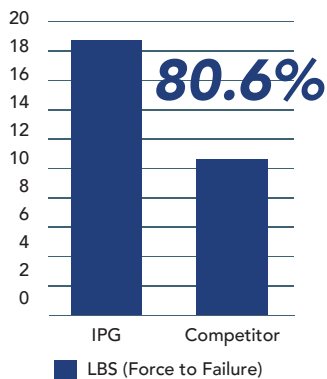

Proven Results with the ET Xtreme Tape Head

Benefits of IPG's ET Xtreme patented dual independent wiping tabs:

- Superior center seam wipe down
- Secure seal on under-filled and uneven packages
- Adhesive driven deep into the fibers of the case for the most secure seal
- Will not crush the case

Increase in adhesion
